

Dear Ladies and Gentlemen,

Thanks again for your prolific participation in the **third NECE Conference “Rethinking Citizenship Education in European Migration Societies: Political Strategies - Social Changes - Educational Concepts”**, in Lisbon, Portugal, April 26th – 28th, 2007. Since we left Lisbon we have been very busy editing keynote speeches, statements and other contributions for our online documentation. We are still waiting for some documents but wanted to give all of you access to the documents and data of the conference without further delay. The documentation is now online on: **www.bpb.de/nece**

We have received quite a number of comments and suggestions from participants. We appreciate your feedback and will consider your suggestions – as much as possible – when preparing our next meeting in **Sofia, Bulgaria** which is scheduled for **September / October 2008**. As a follow-up to Lisbon we want to discuss topics such as the role of the Nation/Nationalism/ national identity vis à vis Europe, populist tendencies in Eastern Europe and the role of religion in public life. Best practice and approaches in citizenship education should be presented. Please check **<http://www.bpb.de/nece>** for further information which will be available as of October 2007.

Hope to see you again in Sofia.

Kind regards and best wishes

Christoph Müller-Hofstede, M.A.
